ELAGSEKRF1: Demonstrate understanding of the organization and basic features of print.

1st Grade

ELAGSE1RF4: Read with sufficient accuracy and fluency to support comprehension. a. Read on-level text with purpose and understanding.

Vocabulary:

Alphabet
Sight Word

Materials:

Bee Bot Mat
Bee Bot
Alphabet Cards
Start Card

Instruction:

1. Set up Bee Bot Mats by placing alphabet cards on the squares.
2. Students will program the bee bot to target letters of sight words they are trying to spell.
3. Students will first place bee bot on start square (placed in top right corner)
4. Then student will program the bee bot to the first letter of the word, hit pause button, and then program Bee Bot to second letter of the word, hit pause button, and so on. This way it is apparent which letters the student is trying to get the Bee Bot to hit rather than just rolling over them.

Summarizer/Assessment:

Teacher Observation.

Teacher Notes

This is a great Friday activity if you have multiple mats, and bee bots to do whole class. But also makes a great center rotation with just one mat and one Bee Bot.
